

S.P.A.R.K. Adventure Camp **(Science. Programs. Athletics. Relationships. Knowledge.)**

Camp Directors: Katie Arnold & Karen Miller

Week 1 - June 9 - 13 ~ 12:30pm - 4:00pm
Week 2 - June 16 - 20 ~ 12:30pm - 4:00pm
For students in grades rising K - rising 7th

All activities are taught from a Christian perspective & with good sportsmanship in mind. Join us on our adventure to discover just how cool science can be! Camp is one week of hands-on science activities, field games, friends, snacks, and fun - your choice between two camp weeks.

Activities may include: Decorating a S.P.A.R.K. Camp t-shirt, chemical reactions & chem creations, bottle rockets, food science, STEM builds, biology dissections, obstacle course, field games, physics fun, much anticipated water day play, dry ice experiments, team building activities, marble mazes, and more! Campers rotate between a Science lab, STEM lab, Sports lab, and Craft lab each day.

Price - \$175 per camper* for one week - Price includes all science activities, take home projects, materials, sports, and a healthy snack each day. *\$15 discount for the 3rd sibling in a family.

*** \$75 deposit due at registration**

***Deposit is non-refundable and a deposit secures each camper's spot.**

S.P.A.R.K. Adventure Camp
Come kick off your summer with us!
